

A GATHERING OF MEN
28th Annual Journeymen Gathering
Friday – Sunday, March 22–24, 2019

Calling All Journeymen!!

Hello Brothers!

It's that time of year again that we seek spiritual renewal and growth in a safe non-judgmental way at our Annual Journeymen's Retreat to be held at Sahale. Bring your courage and strong heart to connect with your fellow Journeymen in this loving space.

We are here to assist each other in healing our wounds and to laugh, cry, and be amazed by the process of discovering ourselves and relating to other men. Come one, come all!

Let me encounter myself more deeply, look for true gold, and be revitalized connecting with others in my community.
