A Weekend for Men

August 26–29, 2021

REGISTRATION IS NECESSARY

Recall your first Sacred Circle weekend and imagine safeguarding and encouraging other men into their own deeper life! The staffing experience continues in ways that are challenging and deeply rewarding.

Join us in staffing this sacred event near Issaquah, WA. You have much to offer. Your help is needed. Our intention is “To make better men.”

We will begin to set the stage for our renewal and for the transforming experience of the new men on **Thursday morning, August 26, 2021**. Other entry times can be negotiated for those unable to begin on Thursday morning.

We create a sacred clearing where men discover their truth.

“The man who claims his shadow claims his life.”
