

# The Sacred Circle Retreat

## Initiation for Men

August 27–29, 2021

You are invited to the Sacred Circle, where you will be free to experience yourself fully and delve into healing and awareness.

Each year in August, A Gathering of Men creates a safe, confidential and sacred space for men to gain recognition, guidance and transformation to their own mature spirit.

Modern society has shed many of the rituals that marked the passage from one stage of life to another. This leaves many lost and confused. We become susceptible to being led by the misinformed or untrustworthy, leaving many on a destructive or unfulfilling path.

We often falter in search of meaning. We may fall into co-dependent, addictive or otherwise unhealthy patterns. Parts of our lives remain emotionally hollow. We're hungry for contact with other men we can trust in a common grounding of our own masculine spirit.

With the help of others who have walked their unique paths, you can find a path of your own. You will have the opportunity to experience the awesome power of a dedicated community of men who create and hold a safe and supportive environment.

These are men with their own Sacred Circle experiences over the years.

A Gathering of Men seeks to immerse men in an inclusive community which practices and supports integrity and authenticity.

Our community rejects patriarchy.

This retreat requires the physical courage, emotional courage, and the willingness to push and explore limits. The Sacred Circle is open to *any man*, regardless of sexual orientation, age or physical limitation, who wants this challenge.
